– WHICHEVER WAY THE WIND BLOWS!

These unique **Wired Pin Flags** ensure total corporate branding visibility at all times, and will generate much more interest in your company than a single tee sign sponsorship.

- ▶ Any image you like (photos, logos, etc.) can be printed on the flags at no extra charge

- ▶ Made from a top quality, lightweight and highly durable material
- ▶ In the case of repeat sponsorships, flags can be washed and re-used year after year – so they are cost-effective *and* environmentally sound
